About Camp Susan Curtis and the Susan L. Charitable Foundation

We're pleased to invite you to the Camp Susan Curtis Golf Tournament. Since 1974, Camp Susan Curtis has provided an outdoor, residential learning experience for over 17,000 Maine boys and girls who qualify for USDA free or reduced lunch. Every participant is fully sponsored through donations. Qualifying youth from all over Maine are referred through their schools and begin as early as 3rd grade, returning year after year to learn the skills they need for success in school, through higher education and into the workplace. Removed from the everyday stressors of economic disadvantage, youth develop supportive relationships and build a critical foundation that stays with them on a permanent path toward achievement. 100% of long-term* participants finish high school and 78% go on to college or other forms of higher education (vs 78% and 48% of like-resourced students statewide, respectively.)* Learn more at susancurtisfoundation.org

The mission of the Susan L. Curtis Charitable Foundation and Camp Susan Curtis is to ensure that economically disadvantaged Maine youth develop the individual character, self-confidence, and skills essential to becoming independent, contributing citizens.
